

MISCELLANEOUS DEPARTMENTS.

MYSORE RAILWAYS.

MYSORE DISTRICT (OPEN LINE).

Notification dated 1st January 1930.

Notice is hereby given that sealed tenders will be received at the Office of the Railway Engineer, Mysore, up to 2 P.M., on Monday 13th January 1930, from contractors who are willing to do the work of construction of the Station Master's quarters at Channarayana.

Every tender must be accompanied by an earnest money of Rs. 100, which may either in currency notes to the Executive Engineer, Mysore Railways, Mysore, with the tender or can be paid to the Auditor, Mysore Railways, Mysore, and the receipt of the Auditor should be submitted with the tender. Such of the tenderers who pay the amount to the Auditor should be paid when the amount is paid on account of construction of the Station Master's quarters at Channarayana.

The tender should be submitted in special forms, which can be obtained from the Executive Engineer, Mysore Railways, Mysore, on payment of rupee one.

Tenders which give rates as per estimate rates, or so much per cent above or below the estimate rates, will not be considered.

The name of the accepted tenderer will be posted on the Notice Board of the Executive Engineer's Office. No enquiries regarding the acceptance or rejection of a tender will be replied.

The earnest money of the unsuccessful tenderers will be returned as soon as possible after the tenders are disposed of.

The successful tenderer should deposit 5 per cent of the value of work, not exceeding Rs. 500, and execute within a week from the date of notification of acceptance of his tender the usual Railway Schedule Agreement. The earnest money of Rs. 100 paid will be 25 per cent of this deposit. Failure to comply with this condition will render the tenderer liable for forfeiture of the earnest money and contract cancelled.

The final acceptance of the tender will rest with the Engineer-in-Chief, Mysore Railways, Mysore, who does not bind himself to accept the lowest or any tender or further reserves to himself the right to reject, without assigning any reasons therefor, all the tenders.

Work should be started within two weeks from the date of acceptance of the tender and completed in four months with a guaranteed monthly rate of progress. The paying schedule gives the approximate quantity of works and this quantity guaranteed.

The time limit specified in para 9 should be strictly adhered to and any violation of this will render the contractor liable to forfeit his 5 per cent deposit amount or, alternatively but as ascertained by the liquidated damages recoverable accordingly.

Plans and specifications and other details of work to be done are available for inspection in the Executive Engineer's Office, Mysore Railways, Mysore, where the tenderers may call and obtain required information during office hours.

In all matters of dispute regarding rates, measurements, quality of work, or in all disputes of any kind, the decision of the Engineer-in-Chief will be final and binding.

Y. K. RAMACHANDRA RAO,
Executive Engineer.

MYSORE RAILWAYS.

Notice dated 28rd December 1929.

Sealed Tenders are invited in the prescribed form for the supply of 5,100 cubic feet of Akwood Special Sleepers of specified sizes required for the Mysore Railways for the year 1930-1930.

The schedule containing the Tender Form, Conditions of Tender and Agreement with conditions of Contract, sizes of sleepers, Specification of Contract, etc., regarding supply of sleepers can be had from the undersigned on presentation of a receipt for Rs. 3 per copy paid to the Auditor, Mysore Railways, Mysore, which sum is not refundable under any circumstances.

Under no circumstances the cost of the Form should be sent to this office nor would the Form be sent by V. P. Post.

The last date for receiving Tenders is 4 P.M., on Wednesday the 15th January 1930.

K. SRINIVAS AINENGAR,
Engineer-in-Chief.

GOVERNMENT OF MYSORE, STORES PURCHASE COMMITTEE, BANGALORE.

Notice No. S. P. C. 8765-84, dated 2nd January 1930.

The firms dealing in Copper Wire.
gentlemen,

6 B. & S. Hard-drawn copper wire for the Electrification of small towns.

Please be good enough to submit your best quotation for the copper wire described below so as to reach the undersigned on or before the 1st of February 1930 specifying how and on what day you will be able to deliver the wire if an order is placed with you.

100 Miles (one hundred miles) of No. 6 B. & S. Gauge, solid, hard-drawn bare copper wire, weighing 420 lbs. per mile 97 per cent conductivity (Math. Std.) manufactured according to the standards of the A. I. E. E. or answering to the B. E. S. A. Specification.

The prices to be quoted should be for delivery, British or American Port, c. i. f. Madras and f. o. r. Bangalore City.

You may also quote for wire of equivalent size in S. W. G. Gauge.

Notice No. S. P. C. 8797-8, dated 2nd January 1930.

Sealed Tenders will be received by the Secretary, Stores Purchase Committee, up to 12 noon, on the 10th February 1930 for 20 tons of best mutton tallow under 1 per cent fatty acid. The prices to be quoted should be inclusive of cost of delivery free on rails at the Bangalore City Railway Station. Alternatively c. i. f. prices may also be quoted. The earliest time within which the material could be supplied should also be specified.

Yours faithfully,
